

# COVID-19

EDITION-2

# JOINING HANDS AGAINST COVID-19

## OUR COMMITMENT AGAINST COVID-19

Government of India has taken commendable actions against the spread of COVID-19. Jubilant Bhartia Group companies are committed to support these measures through various means including the manufacturing and supply of hand sanitizers to the healthcare workers in the hospitals and in the field across various locations in the country to control the spread of COVID-19.

Through on-ground measures in the areas of health & safety, food distribution, communication, sanitization and support to the administration across various locations in the country, we aim to protect our employees, community members and authorities from COVID-19.

## WHO ARE WE

Established in 2007, Jubilant Bhartia Foundation (JBF) is the not-for-profit organisation of the Jubilant Bhartia Group. The foundation focuses on conceptualising and implementing the Corporate Social Responsibility initiatives (CSR) for the Group. The Jubilant Bhartia Foundation's activities include various community development work, healthcare programs, cultural and sports events, environmental preservation initiative, vocational training, women empowerment, educational activities and promotion of social entrepreneurship in India.

## JUBILANT LIFE SCIENCES MANUFACTURES AND GIVES FREE HAND SANITIZERS TO SUPPORT FIGHT AGAINST COVID-19

Hand Sanitizer Manufactured at Jubilant for Donation

### IN-HOUSE INNOVATION

The research and development team of Jubilant Life Sciences Limited (a Jubilant Bhartia Group company) developed formulation for hand sanitizer using its own produced Ethanol. The company got necessary approvals & quickly realigned its manufacturing facility to start producing hand sanitizers at a short notice.

### UNPARALLELED GOVERNMENT SUPPORT

The quick realignment and approvals for production of hand sanitizers was made possible due to the support by Government of Uttar Pradesh & its departments, who gave all the necessary approvals in record time, including Food Safety & Drug Administration, the Excise Department and the Uttar Pradesh Pollution Control Board.

### IMPACT IN NUMBERS

Jubilant Life Sciences has started supplying, free of cost, hand sanitizers to Governments both at the national and state level.

- Around **4000 L** of sanitizer has been manufactured for distribution, to the community members, hospitals, district administration and police personnel at Jyotiba Phuley Nagar in Uttar Pradesh. To reach maximum households in the community, a special **100 ml** bottle has also been developed. This will ensure the right usage and easy handling of the sanitizer
- A total of **1800 L** of sanitizer has been donated to District Magistrate's office in Gajraula, Uttar Pradesh
- A total of **450 L** of sanitizer has been given to the Noida administration and All India Institute of Medical Sciences (AIIMS), Delhi
- **100 L** of sanitizer has also been manufactured at company's Nira facility based at Maharashtra for donation to community, employees, media, police and local administration

- **300 L** of sanitizer has been given to the local administration in Roorkee in Uttarakhand and the distribution channel is at work to distribute the sanitizer as per requirement
- Employees of the company, at its Bharuch facility have received **100 L** of sanitizer

## GENERATING LIVELIHOOD AND ENSURING AVAILABILITY OF REUSABLE MASKS

The Jubilant Bhartia Foundation is facilitating the stitching of reusable cotton masks for ensuring availability of masks for its stakeholders including community members and employees. The initiative also acts as a livelihood support to Self Help Groups (SHGs) in these times of crisis.

The Foundation has been working with several SHGs in the vicinity of some of its manufacturing facilities across the country. Commonly, these SHGs are led by women of the community and act as a source of income for the marginalized women allowing them to contribute towards the income of their families. Some SHGs have set up their small enterprises like stitching & tailoring centres as well.

Amidst the lockdown, these SHGs were unable to generate any kind of livelihood because of lack of demand of their products. On the other hand, JBF also was facing lack of face masks for free distribution in our community. To bridge the gap between skills & need, JBF facilitated the stitching of cotton masks through these SHGs. These masks are washable and reusable. It is also a small step towards environment sustainability and livelihood support for marginalised sector.

Ministry of Health & Family Affairs, Government of India has also shared guidelines on stitching reusable face-masks through a tutorial video/resource material on their website ([www.mohfw.gov.in](http://www.mohfw.gov.in)). JBF is contributing towards the initiative of Government by facilitating stitching of re-usable cloth masks in remote areas. Hence contributing towards the Government initiative. JBF has been providing the raw material for these masks and the SHGs are being remunerated for the time & efforts they are putting-in.

Stitching of Cotton Masks is in Progress at Various Locations

Women at Work, Stitching Masks for JBF for Further Give Away to Community & Employees

## IMPACT IN NUMBERS WITH MASK STITCHING

- The SHG in Nira, Maharashtra delivered the first instalment of **600** masks out of **1000** masks. These masks are being given away to contractual labourers working with the company
- The SHG in Savli, Gujarat has delivered **6000** masks which have been handed over to Taluka Livelihood Manager (TLM) for further distribution. The JBF team at Savli has facilitated the stitching of **10,000** cotton masks for TLM.
- Around **200** masks are being stitched & delivered by the SHG at Bharuch, Gujarat for the community and employees of the Company
- Around **500** masks have been stitched at Roorkee, Uttarakhand through SHG for the District Magistrate Office

## DISTRIBUTION OF FOOD & ESSENTIALS

Grocery and medicines are being provided at the doorsteps of vulnerable community members at various locations across the country.

- JBF is facilitating dry ration for **270** families in the Kallahali community in Nanjangud, Karnataka which will later be distributed through the Tehasildaar's office
- **150** food packets have been distributed in the community in the Vilayat village in Bharuch, Gujarat
- Dry ration distribution to fishing community in Bharuch. **100** widows of fishermen have been given dry ration
- Over **1000** ready to eat packets have been distributed to vulnerable people in Gajraula, Uttar Pradesh

JBF Medical Centre remains Operational for Community

Cooked Meal for Migrant Workers in Gajraula

Village Sanitization Work Done in Gajraula

Sanitization of a Village in Progress at Savli

## SANITIZATION OF VILLAGES

JBF team has conducted sanitization procedures in some villages at few locations in the country. Near the company's manufacturing at Savli, Gujarat a total of **4600 L** of sanitization liquid has been distributed.

## FINANCIAL SUPPORT TO THE GOVERNMENT

- Jubilant has made a contribution of **₹2 Lacs** to the District administration, Haridwar, Uttarakhand towards COVID-19 emergency fund.
- An amount of **₹5, 26,516** has been donated towards a Community Kitchen established by the MP of Amroha, Uttar Pradesh. The community kitchen will be providing meals to daily wage labourer in the area.
- An amount of **₹1.51 Lacs** has been donated to local administration at Kapasan in Chittorgarh, Rajasthan for support towards COVID-19.

Groceries Distribution by JBF Team in Bharuch

## EXTENDING SUPPORT BEYOND OUR MANUFACTURING LOCATIONS

1

The JBF team is extending its support at Jajjhar, Haryana where it is implementing the health project for PANASONIC INDIA

### WEEKLY IMPACT IN NUMBERS

- Total villages covered: **25** (18 Project Villages and 7 Non-Project Villages)
- COVID-19 awareness camps: **28** (Total **61**)
- Masks distributed (free of cost): **1500** (Total **5500**)
- Total Sanitizers Distributed (free of cost): **2 L** (10 bottles of **200 ml**) (Total **42 L**)

Mask and Sanitizer Distribution at Jhajjar

2

### Next 3 Month's Action Plan in Jhajjar

#### DOOR-TO-DOOR MEDICINE DELIVERY

- The community members in Jhajjar will now be able to contact the Doctor from the JBF's Arogya Health Van or through a telephone call to JBF team and based on the doctors' consultation, they shall be provided necessary medicine at home

#### AWARENESS ON PSYCHOLOGICAL WELL BEING

- Pamphlets in local language shall be designed to raise awareness on mental health.

#### GENERAL CONSULTANCY AND AWARENESS ON COVID-19

- Through mobile ambulance, telephone calls and awareness in small groups on COVID-19 information will be spread to all citizens.

Masks, Soaps and Sanitizers Distributed among the Community at Bharuch

Awareness Camp and Mask Distribution in Village Yakubpur, Jhajjar

## JUBILANT FOODWORKS LIMITED (JFL): ACTIONS AGAINST COVID-19

Domino's Pizza (JFL owns exclusive rights to develop and operate Domino's Pizza brand in India, Sri Lanka, Bangladesh and Nepal) has taken several measures to ensure the safety and well-being of all its employees and customers at various locations across the country. As a rule, all Domino's Safe Delivery Experts are **100%** company employees and follow heightened sanitization and hygiene protocols at all its restaurants. All employees in the stores are being temperature screened every day and follow a mandatory hourly hand wash protocol for a minimum of **20** seconds. Domino's is also deep sanitizing its restaurants as well as delivery bikes, boxes and pizza hot bags every **4** hours. In addition, it has moved all its deliveries to Zero Contact Delivery thereby avoiding any physical contact with the customer. Additionally, all Domino's Safe Delivery Experts wear gloves and masks to ensure the safety of the customers. Domino's has shut all its dine-in orders to maintain social distancing.

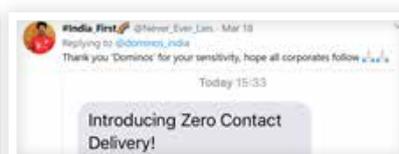

## ZERO CONTACT DELIVERY

The Zero Contact Delivery service allows customers to receive their order without coming in contact with the delivery staff. This feature has been introduced as an additional precautionary measure to ensure the safety of both customers and the delivery staff.

To avail the Zero Contact Delivery service, customers need to use the latest version of the Domino's app and select 'Zero Contact Delivery' option while placing an order. Once the Safe Delivery Expert arrives with the order, (s)he will place it in front of the customer's door in a carry bag before moving back to a safe distance. The Safe Delivery Experts will wait to ensure that it has been collected. The new service is applicable for all prepaid orders made through the app. In addition to the new service, Domino's is ensuring that all its employees comply with the hygiene & safety protocols in each of its restaurants.

## DOMINO'S PIZZA INDIA ENSURES

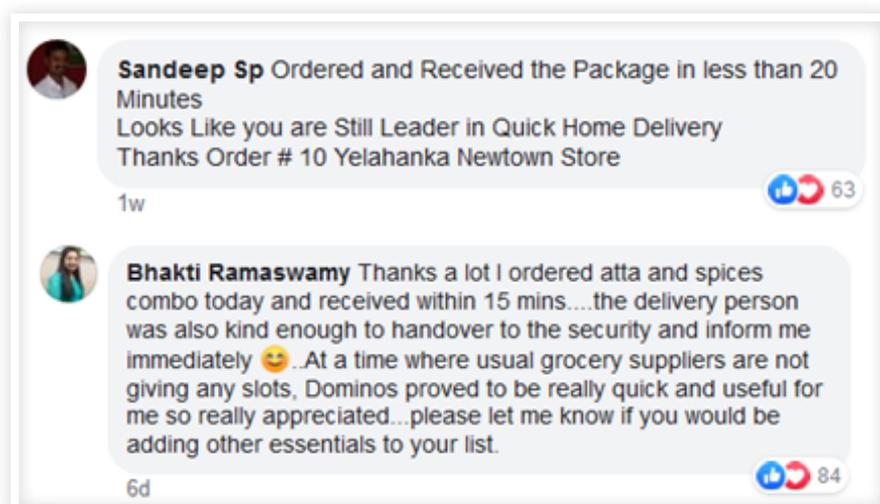

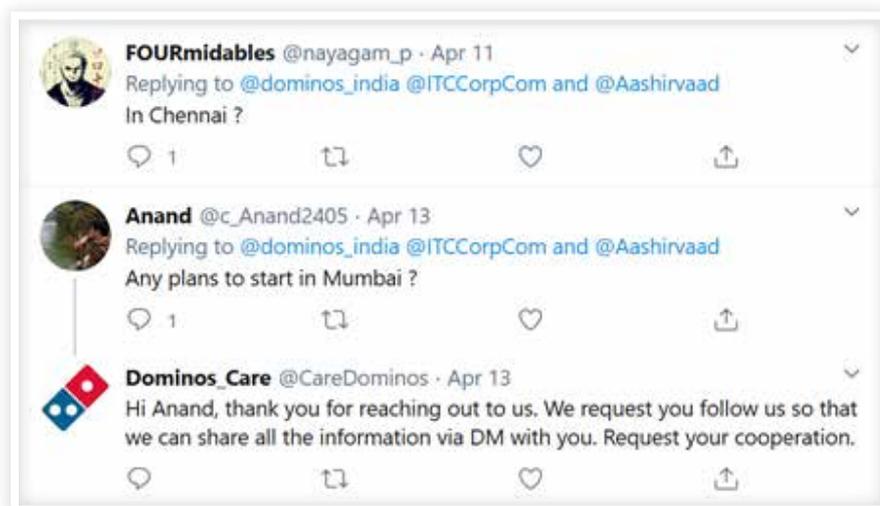

- All Safe Delivery Experts are company employees and are required to undergo a mandatory health screening as per company policy
- Temperature screening for every employee, every day before they enter the restaurant. If temperature exceeds normal, (s)he is requested to go home and return once fully recovered
- All employees to follow a **20** second hand wash protocol every hour
- Safe Delivery Experts to wear face masks as a precautionary measure
- All restaurants, delivery bikes, delivery bike boxes and pizza delivery hot bags are sanitized every **4** hours
- All employees adopt safe food handling practices as per FSSAI guidelines and best practices
- All pizzas are baked at **245** degrees Celsius and are safe for consumption

## DOMINO'S INITIATES DELIVERY OF ESSENTIAL ITEMS

In these difficult times, Jubilant FoodWorks Limited -JFL (a Jubilant Bhartia Group Company) is committed to help the country in every possible way. Domino's has recently collaborated with ITC to deliver essential goods such as flour and spices in select metro cities to its customers amidst the COVID-19 pandemic. Domino's supply chain and delivery network will be used to deliver essential goods such as Aashirvaad Atta, spices etc. at people's doorstep. Customers can order using the Domino's App and their order will be delivered safely and hygienically using Zero Contact Delivery. Domino's has received great response for delivering these essentials from the community.

## JFL REACHES-OUT TO HELP COMMUNITY AGAINST COVID19

JFL is extending its support to the community in Greater Noida where the Jubilant Bhartia Foundation (a not-for-profit organisation of the Jubilant Bhartia Group) team it is implementing its health and education project. The JBF team is also supporting daily wage workers who are stranded in Greater Noida and are in acute need of resources and food through daily distribution of groceries. **150** Non- perishable food packets (comprising **5** kg flour, salt, biscuits, spices and potato) were distributed to families in Kayampur village, Greater Noida.

Apart from the initiatives undertaken by the JBF team, the Domino's operations teams have also been contributing in helping the local communities around them in all possible ways.

## INITIATIVES STARTED WITH SHEER PASSION TO HELP, HAVE NOW EXPANDED THEIR WINGS

### HARYANA

Domino's Gurgaon team deployed one of its food trucks to serve **200** doctors and staff at AIIMS Jhajjar who are putting up a battle with COVID-19 risking their lives everyday. The Gurgaon team has been rewarded with applauses and appreciation from the medical staff at AIIMS Jhajjar.

## PUNJAB

Apart from serving pizzas to the needy and the police officers on active duty, the Domino's team distributed pizzas to the **130** children living with the Guru Asra Trust as well. This simple act of kindness brought smiles on their innocent faces. Multiple media outlets including the national news channel Aaj Tak have also been covered under these initiatives.

## PUNE, MAHARASHTRA

In Pune, one of the team members of Domino's, noticed a huge shortage of PPE kits in Sasoon hospital in Pune (Government hospital treating Covid patients). The Domino's team came forth to help them unconditionally. From delivery boys to managers, the Domino's team together collected ₹1.02 Lacs to procure **65 PPE kits** which were then donated to the health care staff at Sasoon Hospital along with some pizzas to boost their moral and as a token of appreciation for serving our nation relentlessly.

## KARNATAKA

The Domino's teams distributed pizzas to police officers and people living in slums, especially to hungry and needy children in Karnataka. One of the police officers in Tumkur expressed his heartfelt appreciation for Domino's kind service and for ensuring safety measures during the crisis (Domino's team also helped check the body temperature of officers on duty).

## RAJASTHAN

Domino's teams in Rajasthan distributed free pizzas, to not only the needy people, but also to those serving our country in these times of distress such as police officers and doctors on duty in a hospital in Jaipur, fighting against COVID-19.

## NAGPUR, MAHARASHTRA

In Nagpur, the Domino's teams noticed that some of the traffic police officers were not able to get adequate meals because of the shops being shut. The team proactively organized free lunch for all traffic police officers on-duty. They also delivered pizzas to police stations at Pratap Nagar, Bajaj Nagar, Ambazari, Gittikhadan, Ajani and Sonegaov.

## NEW DELHI

India had to witness the plight of several migrant workers who had lost their jobs and were stranded without income, shelter and food amidst the COVID-19 pandemic. Coming forth to make a difference, the Domino's team in Delhi distributed free pizzas to some of the needy and migrant workers who were going back to their villages on foot.

## DOMINO'S: ENSURING HYGIENE & FOOD SAFETY FROM COMMISSARIES

India had to witness the plight of several migrant workers who had lost their jobs and were stranded without income, shelter and food amidst the COVID-19 pandemic. Coming forth to make a difference, the Domino's team in Delhi distributed free pizzas to some of the needy and migrant workers who were going back to their villages on foot.

Domino's at its supply centres, has been mandated preventive medical tests for all individuals currently working at its facilities. Implementation of daily health checks for every individual entering the premises has also been undertaken. The commissary teams have been trained to follow best safety practices such as wearing nitrile gloves, masks, more frequent sanitisation of all equipment including of the delivery vehicles.

To encourage compliance, daily rewards & recognition for all staff have also been announced. Social distancing has been introduced inside the premises. Body temperatures of all individuals including drivers & helpers of transportation vehicles are checked and recorded. The drivers and helpers have also been trained for ensuring proper sanitization of trucks. Gloves, masks and hand sanitizers have been provided for regular use. For inbound vehicles, the body temperature of every driver & helper is checked, incase the temperate exceeds **99.4°F**, the delivery is not

## OTHER INITIATIVES – DOMINO'S CARES

At JFL, serving the nation comes first. As a food company, JFL wants to do its best, in serving not only its customers but also the people in need and the warriors fighting this crisis at the front lines.

Recognizing the need across the country, JFL started developing a central mechanism which could be extended wherever necessary. With this objective, a team was formed which included key stakeholders from all functions. With the approval from the local authorities, the team started delivering garlic breads and buns to government run camps with its first delivery of **4000** buns and **260** garlic breads to the Noida Sector 5 camp.

Since the pilot delivery, JFL has delivered **32,000** buns and **1,356** garlic breads in Noida. With the heartfelt response from Noida, the company has decided to start delivering **2,000** buns daily to another relief camps in Ghaziabad starting 15<sup>th</sup> April, 2020. The company is planning to scale up the project to other cities including Bengaluru and Mumbai. JFL will be able to successfully use these mechanisms to act against any calamity, even faster in the future.
